Build on! Build on, oh mighty soul
Let the heavens be your goal
Gird your loins and lift your eye
To the pinnacle of the sky.

Cast aside your selfish zeal
Place your shoulder to the wheel
Merge the parts to form the whole
Build on, build on, oh mighty soul.

Dedication . . .

The theme of the 1956 edition of **Lest We Forget** is building. It is, therefore, essential that this edition be dedicated to builders.

No one on the staff of Union University has done more toward building confidence in Union's financial program than Mr. Frank Blythe. For seventeen years he has been our business manager. During the trying times of World War II, his strength and devotions were dedicated to keeping the college on a firm financial basis. Having weathered some of Union's most trying years, he remains a great asset in the post-war program.

For many years Mrs. Frank Blythe has served as a teacher in the English Department. The personal interest she takes in each student, the understanding she has of student problems, and her never-ending patience have helped hundreds of young people to survive the first trying year of college. For many she has been a steady source of guidance and inspiration in the years that follow graduation.

In their dedicated home life and their devotion to church and community, the Blythes have contributed not only to the University but also the city of Jackson.

Therefore, we devotedly dedicate this 1956 edition of **Lest We Forget** to consistent builders—

Mr. and Mrs. Frank Blythe

Mr. and Mrs. Frank Blythe

Dear Students:

The Annual staff has chosen the theme "Construction" for your 1955-56 yearbook. Construction is an intriguing word. It implies progress, foresight, vision, objectivity, and purpose. Your yearbook will suggest directly and indirectly the many connotations of this interesting theme.

Usually when we think of construction, there comes to our minds a building, a highway, a bridge, or some other physical improvement. Your yearbook will suggest some items in that regard, because during your stay at Union University you have seen new buildings going up and being put into use almost constantly. You have seen an improved campus. You have seen improved physical facilities in department after department. Seldom have you left the campus for a period of time and returned without finding some noteworthy physical improvement.

The theme of your Annual will also suggest to you the most important aspect of progress, improvement, vision, and understanding as acquired through your social and classroom contacts with fellow students and faculty members. If your years in college have fulfilled the objectives of the institution to any significant degree, you will leave the campus with an awareness of the social amenities and their value, and with an appreciation of intellectual development through a store of knowledge, and a sharpened intellect to the extent that every time you observe your Annual, you will experience a sense of appreciation and gratitude for those who have made possible your Alma Mater.

But no process of construction is satisfactory unless there has been a carefully devised plan for harmonious development and a rhythmic treatment of the entire process that gives refinement, culture, richness, and beauty to the whole project. Your Union University seeks above all things to make her sons and daughters keenly aware of the profound desirability of such development which comes only through proper attitudes, proper spirit, and proper regard for God and His way for their lives. If you have felt the impact of that factor at Union, then as you read the pages of this book, you will utter a silent prayer of thankfulness for that influence in your life; and it will grow richer as the years pass.

This theme, too, does not only imply construction and progress in making of your own lives as it is done here at Union University, but it can serve as an incentive for you to think constructively and act constructively in all areas of your existence as you go out to serve society through the years. Lest we forget, we should read often "Lest We Forget."

Warmest good wishes always.

Sincerely,
Warren F. Jones,
President

*Who's Who Among Students
In
American Colleges And Universities*

"Who's Who in American Colleges and Universities" is a national publication in which recognition is given to outstanding college students. These students are approved by the college administration and are appointed on the basis of scholarship, leadership, character and extra curricular activities.

Public recognition of the worthy achievements of nine of the students of Union University has been made by their selection for this honor. Their pictures and lists of their activities are given on the following five pages.

This is an honor of which to be proud. We know these selected ones will uphold and humbly bear the honor in years to come.

Donald Coleman

Don, from Central City, Ky., has won much recognition at Union. He has been chosen to such honors as Mr. Union, President of Student Body, and Senior Most Likely to Succeed. Don also served as vice-president and president of the Mallory Math Club. His plans for the future center around a teaching position in which he can teach math in secondary schools.

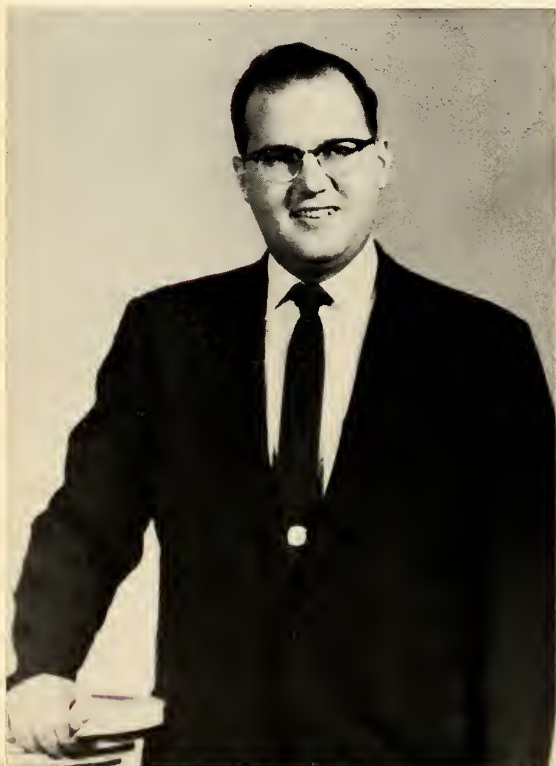

Frances Jones

A very capable personality, Frances, from Jackson, Tennessee, has been active as vice-president and pledge trainer of Chi Omega, secretary of Los Picaros, and a member of F.T.A., Footlights Club, and the Home Economics Club. Frances was also honored by her fellow-students when she was elected this year to be Miss Union. Frances will be a worthy addition to America's ranks of elementary school teachers.

Dorothy Durham

From Ripley, Tennessee, Dot Durham brought Christian character and ability that has been demonstrated as president of Lovelace Hall, and as an active member of B.S.U., Y.W.A., Chorus and Spanish Club. Dot's life objectives are teaching and missionary work.

George Crocker

George, from Somerville, Tennessee, has shown his fine abilities by serving as vice-president of Prince-Davis Science Club, B.S.U. Council member, and member of Mallory Math Club and the Chorus. George plans to teach in the field of mathematics.

Russell Tuck, Jr.

One of the most proven leaders at Union is Russell Tuck, from Bradford, Tennessee. Russell's leadership has been felt as president of Prince-Davis Science Club, president of Adams Hall, vice-president of the Senior Class, and treasurer of the Nestor Club. Russell's fellow-students have shown their appreciation by electing him this year to be Mr. Union. Russell plans to teach or work in industrial chemistry.

Martha Carrington Cole

Martha, a recent bride, is an accomplished pianist from Parsons, Tennessee. Martha has served the school as B.S.U. pianist, accompanist for the chorus, vice-president of the Allegro Club and she is a member of the Y.W.A. She plans to continue her studies at the Seminary which she will attend with her husband.

Mary Evelyn Donnell

Evelyn, from Jackson, is one of the most efficient little ladies on Union's campus. She has proven this by serving as vice-president of the Student Government, vice-president of Chi Omega, and president of the Mallory Math Club. She is an active member of the Allegro Club and the B.S.U. Evelyn plans to continue her studies in graduate school.

Peggy Ann Jones

Peggy, a friendly lady from Humboldt, Tennessee, has used her fine ability as president of F.T.A., secretary of B.S.U., and as a member of Mallory Math Club and Y.W.A. Peggy's abilities will further be used in the elementary teaching field which she plans to enter.

Robert Bell Sims

Alamo, Tennessee, sent Union one of her most capable students, Robert Sims. Bobby has taken an active part in campus activities, serving as secretary of the Nestor Club, vice-president of Phi Alpha Theta, president of Alpha Psi Omega, treasurer of the Rutledge History Club, president and treasurer of Sigma Alpha Epsilon, and member of Hypatia. Bobby recently received a scholarship for graduate study in Australia.

Tennessee Eta of Sigma Alpha Epsilon

Founded at the University of Alabama, Tuscaloosa, Alabama, March 9, 1856

Colors: Royal Purple and Old Gold

Flower: Purple Violet

Fraternity! What is it? It is a brotherhood; a group of men who have subjugated their own selfish feelings and self-centered interests, and have placed in supreme position a deep interest and concern for their brothers.

This ideal was the spark which burst forth into a brilliant flame one hundred years ago in the hearts of eight men attending the University of Alabama in Tuscaloosa. Thus Sigma Alpha Epsilon, a fraternity with high ideals and standards, was born. This fraternity was destined to spread and last.

In the century just gone, more than 90,000 college men have carried on the tradition of our great and noble fraternity and it has grown to national proportions, having 139 chapters in 46 states, Tennessee Eta, the fourth chapter of Sigma Alpha Epsilon, celebrates this year her 99th birthday. During the year Tennessee Eta initiated 16 undergraduates into the active chapter giving us one of the largest active chapters in our long history.

In a social nature, this year the Coronation Banquet was highlighted by the crowning of the beautiful Miss Louise Johnson as SAE Queen. The Christmas party for nine underprivileged boys of the Jackson area warmed the hearts of all present. The greatest and largest Founder's Day ever held by Tennessee Eta focused attention on our 100th anniversary. With several parties held occasionally at the chapter house throughout the term, the year seemed complete. However, the climax to this great social year came in the form of the Spring Splash. Ask any Sig Alpha, he will tell you that this was a social year to remember.

The Sig Alphas were in the limelight again this year as honors were heaped on its members. Brother Don Coleman held the reigns for the Student Body as President of the Student Government Association. Sig Alphas were found at the head of both college publications; Jim Williams served as editor of the **Cardinal and Cream**, and Barrie Bright was editor of the annual you are now reading, the **Lest We Forget**. Two brothers, Bob Sims and Don Coleman, were listed in "Who's Who in American Colleges and Universities." Don Cowan was elected Best All Around Boy and Don Coleman was elected Senior Most Likely to Succeed. The presidency was held in the Nestor Club, Prince-Davis Science Club, Hypatia, and Alpha Psi Omega by Sig Alphas as were the vice-presidency of Phi Alpha Theta and the Mallory Math Club.

SAE was represented in all sports. Don Cowan and Arnold Blewer served as Cheerleaders. Spurred on by the old Phi Alpha spirit, the SAE intramural basketball team went undefeated to take the field in intramural basketball. The SAE's served in different capacities in fifteen of the organizations on the campus.

This has truly been a great Centennial Year for Tennessee Eta and we are looking forward to next year when our own chapter will pass the 100 year mark.

Beta Tau of Alpha Tau Omega

Founded at the Virginia Military Institute, Richmond, Virginia, September 11, 1865

Colors: Sky Blue and Old Gold

Flower: White Tea Rose

This year the Beta Tau Chapter of Union University had one of its most successful years. Forty-three men were pledged, the largest pledge class in our history, and nineteen men were initiated during the school year.

Believing that "variety is the spice of life," the brothers of the Maltese Cross drew members from every phase of life, displayed by their participation in all school activities.

In the class offices, the men of the Blue and Gold had Forrest Shearon as president of the senior class, Johnny Rose, vice-president of the junior class, Bill Noblett, junior class representative, and Ted Janes and Paul Sanderfer, speakers of the junior and freshman classes. Five brothers were found on the Dean's list and Paul Sanderfer had the highest Freshman grade average.

The Taus were also represented on the staffs of the **Cardinal and Cream** and **Lest We Forget** and various other organizations. The band and chorus had its share of ATO's, and Bill Dunning was a soloist in the chorus. Brother Edsel Pate was selected as most handsome boy.

Brothers Gene Atkins and Bill Noblett were representatives to the National Chapter Officers Conference at the University of Colorado at Boulder.

The Taus had more athletes than any organization on the campus and virtually dominated varsity sports, their members forming majority on the basketball and baseball teams.

The high ideas maintained by ATO, their close fellowship based on Christian principles, combined with the beautiful banquets, the Spring Splash and other social events, their wonderful sweetheart, and Mother Ed Stanfield, in her 34th year as Chapter Mom, all went together in making the school year successful and complete.

Upsilon of Chi Omega

Founded at the University of Arkansas, Fayetteville, Arkansas, April 5, 1895

Colors: Cardinal and Straw

Flower: White Carnation

The Upsilon chapter of Union University exemplifies its open motto, "Hellenic culture and Christian Ideals." Instilled in the hearts of the members is a bond of unbroken love and friendship.

This year proved to be enjoyable and outstanding for the Chi Omegas. The Chi O's were recipients of many awards. Among those were Miss Union and Escorts, Best All Around Girl, Queen of Sigma Alpha Epsilon, Cheerleaders, Freshman Queen and maids, representatives in the Ten Most Beautiful Girls, Who's Who in American Colleges and Universities, Basketball maids and class offices. Offices and memberships were held also in Hypatia Literary Society, Footlights Club, Alpha Psi Omega, Latin Club, Rutledge History Club, Allegro, Theta Kappa Pi, Minerva Club, **Lest We Forget** staff, **Cardinal and Cream** staff, Library staff, Student Council, B.S.U., Prince-Davis Science Club, Spanish Club and the Mallory Math Club.

Chi Omega's social life has included a get acquainted slumber party for the pledges, a spaghetti dinner, a surprise Thanksgiving party for actives, the annual Winter Banquet, Fall and Spring Eleusinia, Slacks party, and a spring outing. The civic activities included a Christmas party with Santa Claus for a group of children, the giving of Thanksgiving and Christmas baskets, and selling papers for the Exchange Club.

Regretfully we come to the close of another wonderful year, but we look forward to the future with anticipation.

Beta Omega of Zeta Tau Alpha

Founded at Longwood College, Farmville, Virginia, October 15, 1898

Colors: Turquoise Blue and Steel Gray

Flower: White Violet

As Beta Omega comes to the end of another wonderful year, we find these months have been well spent. Many honors have come our way and we are extremely proud of our girls.

Honors that came our way this year were: Betty Castleman was elected Secretary of the Senior class, Senior basketball maid and Vice-President of the Greek Council; Janice Dotson was elected as a cheerleader and was Sophomore basketball maid; Glenda Stanfill served as President of Crook Hall, succeeded by Jane Norville; on the Student Council were Mary Evelyn Moore and Rita Tillman; Sandra Taylor was elected as Secretary of the Junior Class and Junior Maid to Miss Union.

Several girls were officers in Allegro Club, the Annual Staff, Prince-Davis Science Club, Hypatia, Future Teachers of America, Crook Hall, Y.W.A., and B.S.U. Other than these extra-curricular activities we maintained a very high scholastic standing.

Our banquet climaxed the social events of the year. Other social activities were Christmas parties, a Valentine party, Hallowe'en party, hayride and several informal parties.

PURPOSE

"The purpose of Zeta Tau Alpha is to intensify friendship, to promote happiness among its members and in every way create such sentiments to perform such deeds and to mold such opinions as will be conducive to the building up of a nobler and purer womanhood in the world." Our open motto is: "Seek the Noblest."

COACH, JACK RUSSELL

MANAGER, ROBIN COFFMAN

The Union Bulldogs, under new mentor, Jack Russell, closed the 55-56 season with a record of 5 won and 18 lost, but the year had its moments of encouragement, and it must be remembered that the team included six freshmen.

There were bright spots like the upset over UTMB, the two early conference triumphs over David Lipscomb and Bethel, the losing effort to a greatly favored Arkansas State five by only 3 points, and the sensational last-half comeback against Chattanooga in the Homecoming Game. Next year with a year's experience under their belts, this young Union team will have to be reckoned with.

Union finished with a 2-8 mark in conference play, and was eliminated in the first round of the V.S.A.C. tournament at Nashville.

Don Bishop, a transfer student, led the team in scoring this year with 406 points for a 17.7 average per game, and was given an honorable mention berth on the all-conference team for his efforts. Freshman "Moon" Mullins scored 270 points, Chatham 203, and Johnny Orr 200 for the other top scoring laurels.

POINTS AND AVERAGES
